

## CALESA NEWS

YOUR QUARTERLY BULLETIN  
ABOUT WHAT IS GOING ON  
WITHIN THE PROJECT

ISSUE 1 | YEAR 2022

### CALESA NEWS

This March 2022, the CALESA management and dissemination teams take a new step towards improving communication between CALESA and its internal and external stakeholders: the development of “CALESA NEWS”.

It is a quarterly bulletin aimed at disseminating the project’s future activities, achieved outputs and overall impact. Our goal is to use it to widen the project’s reach and engage its audience in a more efficient way.

### What’s next?

As vaccination efforts widen and covid restrictions start to be lifted worldwide, our team starts making all the arrangements for the implementation of its capacity building mobility flows and on-site events.

In this issue of CALESA NEWS, you will find information on the activities that are planned for the months of **April, May and June 2022**.

### MAY 2022

In May 2022, **Seminar 2.6 on “Global History and the Construction of Global Citizenship”** will take place at UP (16<sup>h</sup> May) and at USA (18 to 20 and 23 to 26 May). Find out more about it [here](#).
