

URGENT CONGRESS BULLETIN #2 FOR DELEGATES AND PARTICIPANTS

Sixth Spanish-Filipino Scientific Congress: Modernizing Criminal Law and Private Law
10-11 June 2022, UP College of Law, Malcolm Hall, UP Diliman

In view of incidences of Covid19 as reported in the news, we urge every delegate and participant to observe the following health and safety protocols during the Congress.

1. Please take a self-administered antigen test 24 hours before the Congress. Let us all be sensitive to one another and take this extra step to ensure we are all Covid19 free.
2. When feeling any kind of Covid19 symptom, including fever, cough or cold, hardness of breath, or scratchy throat, please do not attend the Congress.
3. Bring your vaccination cards.
4. Wear facial mask at all times.
5. Observe social distancing. We will not fill up the plenary hall to capacity but instead provide for a live feed of the proceedings in alternate venues in the building.
6. During meals, please refrain from talking while in the buffet table and allow our food attendants to handle the food allocation.

Thank you very much.
